Hike of 65 Miles Made by Two Boys

Two Redwood City Boy Scouts, Victor Hugo Jr. and Caesar Abate, were back home today after a colorful, week-long hike from Ano Nuevo Point, on the coast below Pescadero, through Big Basin, Saratoga Gap and up the Skyline Blvd. to Redwood City.

The two youths, who live at 82 Devonshire Ave., Dumbarton Oaks, said they covered a distance of 65 miles in their leisurely tramp that included visits to Sandy Ridge, Saratoga Gap, Sky L'Onda and Mt. Biewlaski fire stations and a two-day stay in Big Basin.

The hike climaxed a vacation of a month for the boys at the Steele Ranch at "New Year's Point."

On the hike the boys carried 35-pound packs, including food for 21 meals, regular scout messkits and sleeping bags.

Hugo is an Eagle Scout, highest class rating in scoutdom, and a senior patrol leader. Abate is a patrol leader. Both are members of Troop 143 of Redwood City, under Scoutmaster Hamilton Day.

A new travel record was set at Rocky Mountain National Park in Colorado on July 4, 1938, when 16,498 passed through the highway gateways.

Bull fights were common in ancient Greece.

ROLISON HAS RID COUNTY OF MISMANAGEMENT STIGMA

(EDITORIAL)

That county government throughout the United States has long been a major problem, because its large scope and its sometimes unwieldy territorial responsibility made it an easy mark for political graft and corruption, was well known even before it was so reported last week at a conference at Stanford.

San Mateo County especially has had cause to know this well because for a time it had its share of mismanagement, the resultant notoriety of which made the county such a laughing stock that public chuckles spread outside the bay area and over the entire state.

But now the picture here is changed. The past year has seen swift progress made in ridding the county of the last unsavory traces of the era of machine control and patronage. And the man at the helm in steering this course of good government has been Ernest A. Rolison, present county executive.

Mr. Rolison in his brief term in county office has said little but accomplished much. He has not made sensational headlines. He has made none of the grandstand political plays which men of lesser merit make to win public favor.

Steadily, persistently, in the face of attacks by persons and groups seeking to retain the old political patronage system, Mr. Rolison proceeded in businesslike fashion, without fear or favor, to put the county's affairs in order.

The result is an estimated net saving of close to $40,000 a year in operation costs, in addition to order and system in government.

And this is only the beginning. Mr. Rolison is a tireless worker. Even now, while political custom is demanding that he get out to shake hands and meet voters, he is spending most of his time in his office, working on the county's budgets, seeking to save the people of the county every cent possible.

Such selfless conduct marks Mr. Rolison as a man of high caliber, an official who should be returned to office with a heavy vote of confidence. Voters can indorse San Mateo County's new constructive trend in government by retaining Ernest A. Rolison in office when they go to the polls in the Aug. 30 primary election.

Night Blooms on Treasure Isle

Night blooming cereus will adorn the Hawaiian pavilion gardens at the 1939 Golden Gate International Exposition on Treasure Island in San Francisco Bay. This night scene on the Exposition site shows Miss Ilano Kealani with an armful of the strange flowers.

Tax Rate Cut In Atherton

ATHERTON, Aug. 10—A one-cent reduction of last year's 46-cent city tax is contemplated by the provisional 1938-39 rate proposed by the Atherton city council yesterday afternoon.

According to the ordinance introduced to fix the amount of funds to be raised by taxation, this year's base rate will be 45 cents on $100 assessed valuation, with a three cent rate, the same as 1937-38, for the city's bonded indebtedness.

Increased valuation of Atherton property resulting from an active building program during the past year made the reduction possible. While the city's expenditures are expected to be the same, the taxable valuation rose approximately $200,000 to $5,003,610.

The rate comes up for final passage Aug. 23.

Limitation of realty signs was established in an ordinance adopted in amended form to conform with the suggestion of local agents. One sign, not exceeding 18x26 inches in size, will be permitted on each parcel of property on consent of the owners.

Plans for road work in the proposed subdivision, "Flood Acres," were submitted by City Engineer James S. James and approved.

Streets, sewers, water mains and utilities will be installed before the tract is accepted by the city.

TEACHER TAKES COMMAND

Leil L. Young, San Mateo school superintendent, has taken over command of the fifth fleet division of the 12th naval reserve, which has its headquarters in San Jose. Lieutenant Young succeeds Lieut. H. H. Hallin.

'Ambassador of Rhythm'

Pretty Marie Louise and Anson Weeks, famous orchestra leader, display a scroll appointing him "Ambassador of Rhythm" for the 1939 Golden Gate International Exposition, on Treasure Island in San Francisco Bay.

Women To Form Club for Rolison In Redwood City

Plans to form a women's Rolison-for-County-Manager Club in Redwood City were announced here by Mrs. A. S. Kalenborn of 66 Jeter St., who said that the local club was one of several expected to be formed within the next few days in San Mateo County. An organization meeting will be held Monday at 3 p.m. in the office of C. G. Lambert, 2013 Broadway, Redwood City. All interested women are invited.

Pointing out that "women are interested in getting the best they can for their money," Mrs. Kalenborn explained that it was only natural that women should want to see a competent county manager in office.

"It is purely a matter of economics with us," she said. "When we go shopping, we seek the most we can get for our money. We hire a housekeeper the same way. We want the housekeeping of our county also to be done honestly and efficiently.

"From our experience in Redwood City with Mr. Rolison as manager of the city for more than six years, and now of the county, we believe he is the man we need for county executive. We feel that he is trained for this work."

Women to whom she has discussed formation of the Redwood City club have agreed that a three-point program should be adopted by the organization, Mrs. Kalenborn said. Each member will be asked to (1) telephone three women, asking their support for Rolison and asking them to telephone three other women; (2) distribute literature for Rolison; (3) be available on election day for precinct work to get out the vote.

Mrs. Kalenborn, former dean of girls at Sequoia High School and at present president of the Redwood City Library Board of Trustees and active in civic work, said that groups were working in Menlo Park, Burlingame, San Mateo and other communities to form women's auxiliaries to the county Rolison club.

Rolison, who was appointed county manager a little more than a year ago, is a candidate at the Aug. 30 primary election because the managership was made elective by charter amendment. He is being opposed by Frederick Peterson of Burlingame, former assemblyman who was defeated two years ago when he ran for U. S. Congress from this district.

Instruction Offered Here in Life Saving

Twenty hours of free instruction in first aid treatment will be made available to Redwood City citizens starting Friday at 7:30 p. m. at the police station, Recreation Head H. V. De Armond announced today.

The instruction, to take place Friday and Monday evenings each week, will continue in one and one-half hour periods until the 20-hour course is completed. The WPA is sponsoring the course, under American Red Cross specifications.

Anyone interested is invited to attend the instruction periods, being handled by J. C. Belardi, De Armond said.

Collections by the Bureau of Internal Revenue for the fiscal year ending June 30, 1938, were the largest to date. The total receipts were $5,658,385,125.

PHILLIP BANCROFT

The Republican Party of the state is going to elect Phil Bancroft United States Senator. He would be an honor to the state in the Senate. He is able, free from corporation control, an eloquent speaker and a man of whom the citizens would be proud. Mr. Bancroft would be independent. At Washington he would work for the best interests of his state and party.

The Democrats are so divided on the Senate nomination that a Republican has a good chance of winning. Mr. Bancroft is really the only candidate of the party having the qualifications for the place. He should be unanimously indorsed by every Republican.

GOVERNOR MERRIAM

Governor Frank Merriam deserves another term for his able and efficient administration as chief executive. He has balanced the budget, which has been attempted by his predecessors and failed. For this achievement alone he is entitled to the greatest consideration of the voter.

Mr. Merriam has been a careful and economic governor, always working for the interest of the people and giving his whole attention to his arduous duties. No scandal has tainted his administration. It has been free from graft and racketeering. It has been clean and highly efficient.

It would be unwise at this time to make a change when the people have such a champion of their interests. The governor has many admirers in San Mateo County who know his worth and ability and will give him a rousing vote on August 30.

Fiesta Seeks Male Actors

The fiesta pageant, "The Rise of Don Largo," is sorely in need of male talent.

So announced Director Lou Ashe here as he sent out a call for potential male actors, musicians and dancers to take part in the colorful show which is one of the high spots of San Mateo County's fiesta to be staged at Bay Meadows Sept. 21 to 25.

Talented and beautiful young women from all over the county have responded to the call for fiesta roles but the young men have not.

"By contacting me at fiesta headquarters, 116 B St., San Mateo, or at the Central School in San Mateo where the nightly auditions are held beginning at 7:30," Director Ashe said, "I shall be only too happy to give tryouts to potential pageant actors or actresses."

New enthusiasm among the pageant cast of characters was created when it was learned that theatrical scouts from the Bay Region and more distant sections will attend the colorful show with an eye to booking new talent for professional engagements.

The fiesta pageant this year will be even more colorful than last year's with greater sets and a larger cast.

Ashe said there was also need for old-fashioned fire arms to be used in the show, particularly rifles.

The pageant will be a nightly feature of the fiesta.

Right To Amend Loan Suit Denied

Superior Judge Maxwell McNutt has denied the motion of George B. Bostel and co-plaintiffs to amend their already amended complaint against Robert Odell and the Pacific States Savings and Loan Corp.

The proposed amendment, which alleged additional charges against Odell, presented "vague and insufficient grounds," the judge declared, "and will not be amended to the original complaint."

Bostel and other stockholders of the company filed their original complaint last year, alleging that Odell had mismanaged $3,000,000 of the company's funds. They asked the court to appoint a receiver.

Judge McNutt's denial of today's proposed amendment does not preclude future motions, he said.

New York City's board of education recently adopted a six-year building program providing for 227 new elementary schools at a cost of $233,436,954.

Mr. Elliott Selzer, a former Menlo Park resident, but now a druggist of Red Bluff, was married last Saturday to Mrs. May Hamilton of the same place at the home of Miss Meta Kugeler, Oak Grove Ave. Only a few friends attended the wedding. The couple is honeymooning at Santa Barbara. The bride is a comely and attractive woman, who enjoys a large circle of friends in the northern city. This is Mr. Selzer's third matrimonial venture.

The J. O'Hearn holding adjoining the home of A. J. Carleton was purchased by the latter this week. The property had been on the market for a long time.

A political club is about to be organized here for Phil Bancroft, Republican candidate for United States Senator.

The Palm Hotel, owned by J. J. Doyle, was sold this week to an Eastern man, who is to improve the property. The hotel building was originally erected by the late Patrick Lenehan many years ago.

Isabelle Weeden Lindquist, 26th District American Legion hospital chairman, announces that "Budda" will bring the following program to the U. S. Veterans' Facility near Palo Alto Monday night:

Howard Eastwood, brilliant transcontinental pianist who appears on all Budda air shows; Jimmy Milano, great American accordionist; Patti Collette, captain of the line of Radio City Roxettes; Ruth Peterson, musical theme girl for the exposition; and several other numbers. This show will be given for the veterans of the facility and will not be open to the public. Department and district officers of the American Legion, who sponsor these entertainments, will be present.

Dr. J. C. McGovern was a local visitor Thursday.

Mr. and Mrs. George Angus Jr and their sons, Richard and George Jr., and Mrs. Foster Andrews and her son, George, have returned to their homes from a week's visit with friends in Santa Barbara.

Youth Hostelers End Peninsula Visit

Leaving California's initial chain of American Youth Hostels behind them, 40 eastern hostelers were to entrain this week for the south to continue a 10,000-mile trek about the continent.

Their ages ranging from 13 to 40, the travelers arrived in this district a week ago to tour the seven hostels which grew from the original California chain established last Summer.

Divided into five groups of eight each, they divided their time between the Skyline hostel of Mr. and Mrs. George Arata, that at Montezuma, Mount McPherson ranch, Hidden Villa near Los Altos, the Montara hostel, King's Mountain Inn, and the San Jose YMCA camp.

Supervisors in Brief Session Pay Claims

The board of supervisors met in brief session Tuesday, passed two claims, heard a resolution from the Civic League of San Mateo County, granted Agricultural Commissioner Max J. Leonard permission to leave the state, and adjourned until next Tuesday.

One of the claims was for $881.25 due James B. Allen, San Carlos, for the second payment on the juvenile home remodeling contract.

The board made no comment on the Civic League resolution, which urged board to allow no increases in the budget excepting those sponsored by taxpayers at the public budget hearing Aug. 23.

Check Artist Freed As Sentence Altered

Eugene Grant Smith, jailed 10 months ago for passing bad checks in San Mateo, was released here under a modification of sentence issued by Judge Maxwell McNutt. Smith was originally sentenced to one year in the county jail with no allowance for two months served. A hold order by San Mateo police against Smith was withdrawn, according to the sheriff's office.

Charles Pitts, Negro, charged with carrying a concealed weapon, was sentenced to one year in the county jail by Judge McNutt.

Joseph C. Allen, Daly City, found guilty of hit-run driving, was admitted to unconditional probation for three years. According to Dep. Dist. Atty. Burress Karmel, Allen said he would never drive an automobile again.

Thomas Wilson, central figure in the Lawndale vice scandal several months ago, pleaded not guilty to charges of pandering and assault with a deadly weapon. Charles Ross, charged with a criminal attack on a South San Francisco girl, also pleaded not guilty. Roy Schuman, charged with passing bad checks, was admitted to probation for two years on condition that he serve 60 days in the county jail with credit for 47 days served. He was required to make restitution of $50 taken from persons who accepted the checks.

BOOST PENINSULA GARDENS

Southern Pacific conductors and brakemen on trains running to and from Third St. terminal in San Francisco have adopted the practice of wearing flowers in their buttonholes, as a matter of personal pride and to call attention to the beauty of Peninsula gardens. $1.185 Is Top Levy for Year

Tax rates representing an increase of 9 cents per $100 valuation were fixed by the Redwood City City Council Monday night.

As foreseen by City Manager C. L. Dimmitt nearly two months ago, an increase in budget requirements was allowed by the council which brought tax rates as follows:

For the "old town" or east side, which was the City of Redwood City prior to 1903—$1.185.

For the "annex," or district west of El Camino Real—$1.183.

For the South Redwood and Carmelita Manor districts — $1.054.

For the harbor lands—$0.815.

The different rates for the various sections of the city are due to the fact that when districts are annexed they assume obligations to pay only bonded debts acquired after date of annexation. The "annex" thus is assessed only for bonded debts incurred after 1903; the South Redwood district and Carmelita Manor, only for debts acquired after 1926 and 1927, respectively, and the harbor land only for debts acquired after May, 1937, when the area was annexed.

Manager Dimmitt explained that the budget increase was due principally to:

1. An increase of $3285 in the police department's budget to provide for purchase of two radio-equipped motorcycles; allowance for painting of traffic lines; employment of an extra relief officer, and yearly increase in pay for junior officers.

2. Purchase of new dump truck for the street department.

3. An increase in the parks and recreation budget of $3000 to expand service of that bureau.

4. An increase of $5000 in the sewer department to provide for maintenance of the enlarged system and an allowance for sponsor's share of WPA projects to extend sewers still more.

5. Purchase of a new pump engine for the fire department's ladder truck and pumper.

6. Allowance of $1300 for advertising through San Francisco Peninsula Inc.

Each cent on the tax rate will raise nearly $1300, Dimmitt explained, as the result of the council's adopting an assessment roll of $12,878,540 at a morning session.

To be raised by taxes this year is a total of $156,140.63. Making up this total are: $94,645.47 for general municipal purposes, including harbor operation; $14,300 for the public library, and a total of $47,185.16 for bond interest and redemption.

Fixing of the tax rate and setting of the amount to be raised by taxes were accomplished by introduction of an ordinance, approved unanimously, which will be finally approved at a later meeting of the council.

'Cow Palace' Bond Vote Set

A bond issue to provide $525,000 to finish the Visitacion Valley Livestock Pavilion in the extreme north end of San Mateo County was among the seven issues which the San Francisco Board of Supervisors decided late Monday to submit to the citizens there at a special election expected to be held Sept. 27.

The "cow palace" proposal had not previously been considered definitely by the board as a part of the proposed PWA program, but it came before the supervisors with a favorable recommendation from their finance committee.

Fred D. Farr, president of the sponsoring Agricultural District 1-A, explained that the $525,000 would be combined with some $300,000 of state pari-mutuel and exposition funds, $185,000 from the WPA and $400,000 from the PWA. Already, he said, about $974,000 has been expended upon the huge venture.

The board agreed that should the $300,000 in state funds not be forthcoming, the $525,000 in bonds, if approved by the voters, will not be sold. The $525,000 would go toward matching the expected PWA grant.

The other issues approved by the supervisors in adopting resolutions declaring public interest and necessity require the civic improvements are: Sewers, $4,200,000; schools, $2,800,000; courts building, $3,828,000; recreation, $900,000; yacht harbor, $700,000; public welfare building, $225,000. All the funds would be used as sponsor's shares of PWA projects.

The board voted to take up in special session Wednesday the $39,000,000 bond issue recommended for purchase and rehabilitation of the Market Street Railway.

BRISBANE FIRE DISTRICT HEAD QUITS IN ROW WITH D. A., JURY

Norman R. Brown, chairman of the Brisbane Fire District board, Tuesday quit his post in a row with the district attorney and the grand jury over purchase of fire equipment without sanction of the district voters.

"As chairman of the board of fire commissioners of the Brisbane Fire District," Brown advised the board of supervisors, by letter, "I hereby tender my resignation, due to the ruling laid down by the district attorney that this district hold an election to determine whether the district keep the truck already purchased by the district commissioners.

"This ruling is contrary to the advice given this commission by its legal counsel. Be it further known that I as a member of this commission am not going against the statutes laid down by the state legislature.

"Be it further known that I as a citizen and taxpayer protest the cost of an election to which this district is being unnecessarily taxed."

According to Asst. Dist. Atty. Daniel E. Sullivan, the law is specific in requiring the commissioners to secure authorization of a majority of the voters of the district to levy a special tax.

Utilities Allow P. A. To Slash Tax Rate

PALO ALTO, Aug. 9—As a compromise the city council last night set the tax rate for the coming year at 95 cents—a 5-cent reduction over last year's levy.

Seven of the 14 councilmen present favored continuing the $1 rate as a matter of "good business" by accumulating a reserve and the other seven urged the 10-cent reduction which could be made for "good publicity." Unable to get a majority for either proposal, the compromise was agreed on. The 15th councilman was absent.

The tax rate will raise an estimated $150,000. The budget calls for expenditures of $1,180,535. Municipally owned utilities are expected to provide revenues of $816,504. Miscellaneous revenues are expected to bring in another $106,060.

Credit for the tax rate reduction was given by councilmen to the fact the city's utilities are returning a profit.

Settlement Reached In Flood Park Row

Amicable settlement of differences between the county recreation commission and T. J. Hallinan, manager of the Redwood City office of California Pacific Title & Trust Co. was announced here by Ronald Campbell, planning commission adviser.

Hallinan, owner of surface rights on the Hetch Hetchy right-of-way which divides Flood Park, has agreed to allow the county the right to cultivate the land for park purposes. In return, he has been granted the privilege of buying water from any well the county may dig on the property to supply his adjacent lands with water for irrigation purposes, it was stated.

Paving Work Bids Called

Redwood City's council Monday adopted an assessed valuation roll of $12,878,540 for the 1938-39 year after meeting as a board of equalization in a session which saw two individual requests for reduced assessments rejected for this year at least, with promise of consideration for next year being given.

The assessment roll includes: Land, $6,452,230; improvements, $6,738,365; personal property, $152,640. This total of $13,343,175 is subject to exemptions of $464,635, leaving the net valuation of $12,878,540.

Prior to the equalization session, the council called for bids, to be opened Aug. 29, on the Nevada St. paving work and set the same date for a hearing on the proposal to pave parts of Quartz St. and Avenue Del Ora, as petitioned for by property owners.

. . . from the age of 3!

When does a child start to read a newspaper? Here is the answer—obtained from a careful survey—and it will surprise you!

—youngsters of twelve read editorials through
—children eight years old scan the front page
—and the funnies are "looked at" by tots of three!

In a word, children read newspapers as soon as they can read at all. That gives a newspaper publisher a big responsibility and hands the editor a tough job.

We try to make our paper the kind of paper you will be glad to let your child read. We think of our children readers every day when we "make up" your Redwood City Tribune. There is news you want and need, occasionally, that you'd probably rather not have your children see. We try hard to put it where they won't see it. And we avoid sensational or suggestive headlines and news treatment for that very reason.

There's a lot of news and features that you and your children's teachers want your boys and girls to read: church activities, Boy Scout and Girl Scout news, club doings; news and features especially edited for your children. We try to put that kind of news where they will see it, with nothing near it unsuitable for boys and girls. Our biggest job is to keep the Tribune a family newspaper. It's not an easy assignment, but it is an important one!

Mr. Advertiser:

It's important to you, too, that we have made the Tribune a family newspaper—a newspaper that children can read. You know why it's important to you and we feel that you'll be glad to know we are going to continue that policy and improve on what we have already done.
